Assam CEO Oversees Training for Vote Counting Procedures

Photo: Wikimedia Commons / Iris Tong

In preparation for upcoming

electoral processes, the Chief Electoral Officer (CEO) of Assam has overseen a dedicated training program. The session was designed to equip personnel with the necessary skills and knowledge for the accurate and seamless execution of vote counting procedures. The training aimed to familiarize officials with the established protocols and guidelines essential for maintaining the integrity of the counting process. This initiative underscores the Election Commission's commitment to transparency and fairness in democratic election...

Delhi Police Arrests 10 in Cyber Fraud Syndicate Bust

Photo: Wikimedia Commons / Govt. of India

In a significant operation, the Delhi Police have cracked down on a sophisticated cyber fraud syndicate. The police have announced the arrest of ten individuals who were allegedly part of this network involved in various online fraudulent activities. This action by the law enforcement agency is a part of ongoing efforts to combat the rising tide of cybercrimes affecting citizens. The syndicate's bust is expected to disrupt a significant channel for digital financial fraud....
