Congress spreading lies on SIR, BJP to take facts to public

Congress spreading lies on SIR, BJP to take facts to public: Ram Madhav

Congress's SIR propaganda exposes its fear of a Voter's verdict: Ram Madhav

Jammu, 03 November 2026:

Slamming the Congress and its opposition allies for orchestrating a deliberate campaign of misinformation against the Election Commission and the Special Intensive Revision (SIR) of electoral rolls, BJP National Vice President Ram Madhav said that a politically desperate opposition, unable to win the confidence of voters through democratic means, was attempting to manufacture unrest and destabilize the country through false propaganda. He asserted that the Congress's politics of confusion, confrontation and institutional distrust would not succeed in India.

Addressing a press conference at the BJP headquarters, Trikuta Nagar, Jammu, along with J&K BJP General Secretaries Sanjita Dogra, Baldev Singh Billawaria and Gopal Mahajan, Chief Spokesperson Sr. Adv. Sunil Sethi, and Media Incharge Dr. Pardeep Mahotra, Madhav said that the Election Commission had presented its position, supported by facts, before the Supreme Court through an affidavit, clearly demonstrating the fairness and transparency of the electoral revision process.

Ram Madhav said the SIR exercise, being undertaken after nearly two decades, was a legitimate democratic process in which Booth Level Officers were conducting door-to-door verification to ensure the accuracy and integrity of electoral rolls and identify illegal entries, including those of foreign nationals residing illegally in India.

Madhav said that the Congress wanted illegal voters to remain on electoral rolls because its political calculations depended on manipulating the electoral environment. He said the opposition's repeated allegations against constitutional institutions were part of a larger conspiracy to create street unrest and engineer political instability, drawing parallels with developments in neighbouring Bangladesh and Nepal. However, he asserted that India's strong democratic foundations and politically conscious electorate would never allow such designs to succeed.

Taking the Congress head-on over its own history, Madhav recalled that Indira Gandhi's election had been declared void by the Allahabad High Court, exposing the Congress's own record on electoral integrity. Referring to Jammu and Kashmir, he also recalled the widespread electoral irregularities associated with the 1987 Assembly elections, which contributed to deep public alienation and the subsequent rise of terrorism. He questioned the Congress's moral authority to lecture others on electoral democracy while remaining answerable for its own political legacy.

Mocking the opposition's allegations against EVMs, battery functioning and alleged electoral manipulation, Madhav said the Congress had repeatedly failed to substantiate its claims. He said the opposition's demand to return to ballot papers was equally revealing, pointing to the Congress's poor electoral performance in recent ballot-paper elections.

Madhav also described the joint opposition rally at Ramlila Maidan, Delhi, as a political flop, saying the gathering of 23 opposition parties had failed to demonstrate the public support they claimed to enjoy. He said the successive electoral victories of Prime Minister Narendra Modi in 2014, 2019 and 2024 reflected the people's continued confidence in his leadership.

He asserted that the BJP would firmly counter the Congress's misinformation campaign with facts and expose every attempt to weaken democratic institutions, adding that India's democracy would prevail over the politics of anarchy.

Mehbooba Mufti criticises NC, blames leadership for J&K-Centre disconnect

PDP president Mehbooba Mufti on Monday criticised the ruling National Conference (NC), blaming its leadership for the growing disconnect between J&K and the Centre.

Addressing a mega workers' convention to mark PDP's Foundation Day at Sher-e-Kashmir Park in Srinagar, Mehbooba questioned why Kashmiris continued to face suspicion.

"Why does Hindustan have so much suspicion about us? Our youngsters are being beaten, Kashmiri officers are being removed from service, and tribals are being evicted. This needs to

the party had "buried" the demand for autonomy after shifting from the prime ministerial to the chief ministerial system. She also blamed NC leadership for difficult years of militancy and accused it of using Ikhwan forces.

Referring to NC president Farooq Abdullah's remarks on Pakistan, Mehbooba said Kashmiris had already made their choice and stood with India, taking a dig at Pakistan and calling it 'Daki-stan'.

Recalling Sheikh Mohammad Abdullah's role in J&K's accession to India, she said he had reposed faith in the country despite the region being Muslim-majority. She also referred to his association with former PM Jawaharlal Nehru and Mahatma Gandhi.

Mehbooba said PDP was founded to restore J&K's dignity and identity, asserting the party never pursued a "double agenda".

She urged the GoI to initiate dialogue with the people of J&K, questioning how long the region could be governed through force. Referring to developments in Delhi on October 10, she said the government should understand the anger and concerns among people rather than attempt to project peace through coercive measures.

She also warned against attempts to alter J&K's identity, saying those seeking

Jammu: J&K Assembly Speaker Abdul Rahim Rather, speaking on the Darbar Move, stated, "There is nothing new about the Darbar Move. While it was discontinued for a period, it resumed last year. For six months, we served the people of the entire Jammu and Kashmir region, and we will continue to do so here. The Darbar Move has been a long-standing tradition, interrupted only by a brief pause of a few years. The government subsequently made a considered decision to revive it, which is a positive step. We must respect the wishes of the people across the Union Territory of Jammu and Kashmir. Our brothers in Jammu desired the revival of the Darbar Move, and therefore, it should be reinstated."
