Govinda's Wife Sunita Ahuja Confirms Actor Wears Hair Patch

Sunita Ahuja has addressed speculation surrounding her husband, actor Govinda, by confirming he uses a hair patch. She stated there is no shame in its use, as many in the industry do.

Sunita Ahuja, wife of veteran actor Govinda, has publicly confirmed that her husband uses a hair patch. Addressing the topic, she emphasized that there is nothing to hide about such cosmetic aids. Ahuja asserted that the use of hair patches is common, stating, "Many heroes do it. Men and women both use patches." She insisted that there is no unusual or embarrassing aspect to using a hair patch, normalizing its use. This revelation comes amidst ongoing media attention surrounding the couple. Govinda and Sunita Ahuja have been subjects of headlines since last year, with several reports circulating about potential marital discord and divorce proceedings.

Criticism for Altering

Expand European Reach in Textbooks

Photo: Andhrabhoomi (via NewsData)

The National Council of Educational Research and Training (NCERT) has recently been at the center of a controversy regarding changes made to its educational materials. The issue pertains to one of the most significant artifacts from the Indus Valley Civilization. Specifically, a celebrated bronze figurine, a prominent symbol of the ancient civilization, was modified for inclusion in textbooks. The original artifact is known for its depiction without any clothing. NCERT's decision involved adding clothing to the f...

Anand Police Reject Plea for Bangladeshi Woman Facing Deportation

Photo: The Times Of India (via NewsData)

Police in Anand, Gujarat, have concluded their investigation into the case of a detained Bangladeshi national, determining that no relief can be offered to the woman. The mother of two is currently facing deportation proceedings. Her husband has reportedly made appeals to authorities, seeking leniency and a reconsideration of her case. However, the police have maintained their stance, ruling out any intervention that would halt the deportation process. T...

Air India pilots 'no-meal'

basic fare to lower travel costs

National carrier Air India has introduced a new 'Basic' fare option on certain domestic flights. This move is aimed at reducing travel costs for passengers by eliminating complimentary in-flight meals from this specific fare category. The airline has clarified that this 'Basic' fare is being rolled out as a pilot program. It is designed to provide an additional, lower-cost choice for travellers. This new fare structure will operate alongside Air India's...
